10th Swedish International Small Print Exhibition 2024

Malmö International Photo Society proudly presents the 10th Swedish International Small Print Exhibition 2024, which is the only of its kind in Sweden!

After several years of highly increasing number of digital exhibitions worldwide, we felt it was time to go "back to basic" once again and organize one more exhibition with printed photos.

The exhibition has received FIAP Patronage, GPU License, ISF Label and NFFF Patronage. We would like to thank all of you who entered this exhibition. It has been a pleasure and a privilege to take part of your photos.

This year, 221 photographers have participated, which is an increase of 36% compared to the previous year!

The selection panel has accepted 212 prints for exhibition. Congratulations to those who were successful, and the rest of you I wish better success in our next exhibition.

In this catalogue you can take part of the prize-winning photos.

Please enjoy!

Nils-Erik Jerlemar

GLOBAL PHOTOGRAPHIC UNION - GPU (former UPI)

is a worldwide interactive organization for anyone interested in photography, be they casual, serious amateurs or professional photographers.

Founded in Gairle, The Netherlands, September 2007. GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, Photo festivals, distinctions, titles, and a raft of other activities.
