7th Swedish International Small Print Exhibition 2021

Malmö International Photo Society proudly presents the 7th Swedish International Small Print Exhibition 2021, which is the only of its kind in Sweden!
After several years of highly increasing number of digital exhibitions world wide, we felt it was time to go "back to basic" once again, and organize one more exhibition with printed photos.

The exhibition has received FIAP Patronage, GPU License, ISF Label, ICS Patronage and NFFF Patronage.
We would like to thank all of you who entered this exhibition. It has been a pleasure and a privilege to take part of your photos.

The selection panel has accepted 116 prints for exhibition.
Congratulations to those who were successful, and the rest of you I wish better success in our next exhibition.

In this catalogue you can take part of the prize winning photos.

Please enjoy!

Nils-Erik Jerlemar

GLOBAL PHOTOGRAPHIC UNION - GPU (former UPI)

is a worldwide interactive organization for anyone interested in photography, be they casual, serious amateurs or professional photographers.

Founded in Gohrie, The Netherlands, September 2007, GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, Photo festivals, distinctions, titles, and a raft of other activities.
