Scandinavian International Exhibition of Photography 2022 CREATIVE

Malmö International Photo Society proudly presents
Scandinavian International Exhibition of Photography 2022 CREATIVE which is the only
one in Sweden, and one of the few in the world, for Creative photos.

The exhibition has received Patronage from FIAP, GPU, ISF and NFFF.
Photographers from almost 40 countries have sent their photos for assessment, and I should
like to thank all of you who entered this exhibition. It has been a pleasure and a privilege to
take part of your photos.

The selection panel has accepted 121 images for exhibition.
Congratulations to those who were successful, and the rest of you I wish better success in
our next exhibition.

In this PDF-catalogue you can take part of all the prize winning photos.

Please enjoy!

Nils-Erik Jerlemar

GLOBAL PHOTOGRAPHIC UNION - GPU (former UPI)
 is a worldwide interactive organization for anyone interested in photography, be they casual, serious amateurs or professional photographers.

Founded in Goolse, The Netherlands, September 2007, GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, Photo festivals, distinctions, titles, and a raft of other activities.
