Scandinavian International Exhibition of Photography 2026 CREATIVE

Malmö International Photo Society proudly presents
Scandinavian International Exhibition of Photography 2026 CREATIVE
which is the only one in Sweden, and one of the few in the world, for Creative photos.

The exhibition has received Patronage from FIAP, GPU, ISF, NFFF and DIPA.
Photographers from almost 40 countries have sent their photos for assessment, and I should like to thank all of you who entered this exhibition. It has been a pleasure and a privilege to take part of your photos.

The selection panel has accepted about 230 images for exhibition.
Congratulations to those who were successful, and the rest of you I wish better success in our next exhibition.

In this PDF-catalogue you can take part of all the prize-winning photos.

Please enjoy!
